

# Lead the Way

from *Raya and the Last Dragon*

We have a choice to  
Build or destroy to  
Fight or to come together  
Love is a bridge and  
Trust is a gift, we  
Give it and it gets better

There's an energy in the water  
There is magic deep in our heart  
There's a legacy that we honor  
When we bring the light to the dark  
Whatever brings us together  
Can never tear us apart  
We become stronger than ever

When we just trust  
When we just trust  
When we just trust  
and believe it  
You'll see that, we'll lead the way  
Trust and believe it  
You'll see that, we'll lead the way

When you're broken, open up your heart and feel  
There's no difference, we're all family here  
It's 'bout all of our doubts, all our up and downs  
There is never really anything to fear

There's an energy in the water  
There is magic deep in our heart  
There's a legacy that we honor  
When we bring the light to the dark  
Whatever brings us together  
Can never tear us apart  
We become stronger than ever

When we just trust  
When we just trust  
When we just trust  
and believe it  
You'll see that, we'll lead the way  
Trust and believe it  
You'll see that, we'll lead the way

Oh, oh-oh, oh-oh, oh-oh, oh, oh-oh

Takin' the first step  
I see you as myself  
Nothing we can't do  
Put the past behind  
Learn from life itself  
We can start brand new

There's an energy in the water  
There is magic deep in our heart  
There's a legacy that we honor  
When we bring the light to the dark  
Whatever brings us together  
Can never tear us apart  
We become stronger than ever

When we just trust  
When we just trust  
When we just trust  
and believe it  
You'll see that, we'll lead the way  
Trust and believe it  
You'll see that, we'll lead the way

Oh, oh-oh, oh-oh, oh-oh, oh, oh-oh  
Oh-oh-oh

# How Far I'll Go

from *Moana*

I've been staring at the edge of the water  
'Long as I can remember  
Never really knowing why

I wish I could be the perfect daughter  
But I come back to the water  
No matter how hard I try

Every turn I take  
Every trail I track  
Every path I make  
Every road leads back  
To the place I know where I cannot go  
Where I long to be

See the line where the sky meets the sea?  
It calls me  
And no one knows  
How far it goes  
If the wind in my sail on the sea stays behind me  
One day I'll know  
If I go, there's just no telling how far I'll go

I know everybody on this island  
Seems so happy on this island  
Everything is by design  
I know everybody on this island  
Has a role on this island  
So maybe I can roll with mine

I can lead with pride  
I can make us strong  
I'll be satisfied if I play along  
But the voice inside sings a different song  
What is wrong with me?

See the light as it shines on the sea?  
It's blinding  
But no one knows  
How deep it goes

And it seems like it's calling out to me  
So come find me  
And let me know  
What's beyond that line?  
Will I cross that line?

And the line where the sky meets the sea  
It calls me  
And no one knows  
How far it goes  
If the wind in my sail on the sea stays behind me  
One day I'll know  
How far I'll go

# You've Got a Friend In Me

from *Toy Story*

You've got a friend in me  
You've got a friend in me  
When the road looks rough ahead  
And you're miles and miles  
From your nice warm bed  
You just remember what your old pal said  
Boy, you've got a friend in me  
Yeah, you've got a friend in me

You've got a friend in me  
You've got a friend in me  
You got troubles, I've got 'em too  
There isn't anything I wouldn't do for you  
We stick together and see it through  
'Cause you've got a friend in me  
You've got a friend in me

Some other folks might be  
A little bit smarter than I am  
Bigger and stronger too  
Maybe  
But none of them will ever love you  
The way I do  
It's me and you, boy

And as the years go by  
Our friendship will never die  
You're gonna see it's our destiny  
You've got a friend in me  
You've got a friend in me  
You've got a friend in me

# Do You Want to Build a Snowman?

from *Frozen*

Do you wanna build a snowman?  
Come on, let's go and play!  
I never see you anymore  
Come out the door  
It's like you've gone away

We used to be best buddies  
And now we're not  
I wish you would tell me why!

Do you wanna build a snowman?  
It doesn't have to be a snowman...

Go away, Anna.

Okay, bye...

Do you wanna build a snowman?  
Or ride our bike around the halls?  
I think some company is overdue  
I've started talking to  
The pictures on the walls!

(Hang in there, Joan.)

It gets a little lonely  
All these empty rooms  
Just watching the hours tick by...  
(Tick-tock tick-tock tick-tock tick-tock)

Elsa, please I know you're in there  
People are asking where you've been  
They say, "Have courage, " and I'm trying to  
I'm right out here for you  
Just let me in

We only have each other  
It's just you and me  
What are we gonna do?

Do you wanna build a snowman?

# Into the Unknown

from *Frozen II*

Ah ah, oh oh  
Ah ah, oh oh  
Ah ah, oh oh oh oh

I can hear you but I won't  
Some look for trouble  
While others don't  
There's a thousand reasons  
I should go about my day  
And ignore your whispers  
Which I wish would go away

Oh, oh, oh  
Ah ah, oh oh  
Oh  
Ah ah, oh oh oh

You're not a voice  
You're just ringing in my ear  
And if I heard you, which I don't  
I'm spoken for I fear  
Everyone I've ever loved is here within these walls  
I'm sorry, secret siren, but I'm blocking out your calls  
I've had my adventure, I don't need something new  
I'm afraid of what I'm risking if I follow you

Into the unknown  
Into the unknown  
Into the unknown

Ah ah, oh oh  
Ah ah, oh oh, oh

What do you want?  
'Cause you've been keeping me awake  
Are you here to distract me  
So I make a big mistake?

Or are you someone out there  
Who's a little bit like me?  
Who knows deep down  
I'm not where I'm meant to be?

Every day's a little harder  
As I feel my power grow  
Don't you know there's part of me  
That longs to go

Into the unknown?  
Into the unknown  
Into the unknown  
Ah ah, ah ah  
Ah ah, ah ah  
Oh, oh, oh

Are you out there?  
Do you know me?  
Can you feel me?  
Can you show me?

Ah ah ah ah  
Ah ah ah ah ah

Where are you going?  
Don't leave me alone  
How do I follow you  
Into the unknown?

Well, Tamatoa hasn't always been this glam  
I was a drab little crab once  
Now I know I can be happy as a clam  
Because I'm beautiful, baby

Did your granny say listen to your heart  
Be who you are on the inside  
I need three words to tear her argument apart  
Your granny lied!  
I'd rather be

Shiny  
Like a treasure from a sunken pirate wreck  
Scrub the deck and make it look

Shiny  
I will sparkle like a wealthy woman's neck  
Just a sec!

Don't you know  
Fish are dumb, dumb, dumb  
They chase anything that glitters (beginners!)

Oh, and here they come, come, come  
To the brightest thing that glitters  
Mmm, fish dinners

I just love free food  
And you look like seafood

Well, well, well  
Little Maui's having trouble with his look  
You little semi-demi-mini-god  
Ouch! What a terrible performance  
Get the hook  
You don't swing it like you used to, man

Yet I have to give you credit for my start  
And your tattoos on the outside  
For just like you I made myself a work of art  
I'll never hide; I can't, I'm too

Shiny  
Watch me dazzle like a diamond in the rough  
Strut my stuff; my stuff is so

Shiny  
Send your armies but they'll never be enough  
My shell's too tough

Maui man, you could try, try, try  
But you can't expect a demi-god  
To beat a decapod (look it up)

You will die, die, die  
Now it's time for me to take apart  
Your aching heart

Far from the ones who abandoned you  
Chasing the love of these humans  
Who made you feel wanted  
You tried to be tough  
But your armour's just not hard enough

Maui  
Now it's time to kick your  
Hiney  
Ever seen someone so

Shiny  
Soak it in 'cause it's the last you'll ever see  
C'est la vie mon ami  
I'm so

Shiny  
Now I'll eat you, so prepare your final plea  
Just for me  
You'll never be quite as  
Shiny  
You wish you were nice and  
Shiny

# Try Everything

from Zootopia

Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh

I messed up tonight  
I lost another fight  
Lost to myself, but I'll just start again

I keep falling down  
I keep on hitting the ground  
But I always get up now to see what's next

Birds don't just fly  
They fall down and get up  
Nobody learns without getting it wrong

I won't give up  
No, I won't give in till I reach the end  
And then I'll start again  
No, I won't leave  
I want to try everything  
I want to try even though I could fail

I won't give up  
No, I won't give in till I reach the end  
Then I'll start again  
No, I won't leave  
I want to try everything  
I want to try even though I could fail

Oh, oh, oh, oh, oh  
Try everything  
Oh, oh, oh, oh, oh  
Try everything  
Oh, oh, oh, oh, oh  
Try everything  
Oh, oh, oh, oh, oh

Look how far you've come  
You filled your heart with love  
Baby, you've done enough  
Take a deep breath

Don't beat yourself up  
No need to run so fast  
Sometimes we come last, but we did our best

I won't give up  
No, I won't give in till I reach the end  
And then I'll start again  
No, I won't leave  
I want to try everything

I want to try even though I could fail  
I won't give up  
No, I won't give in till I reach the end  
Then I'll start again  
No, I won't leave  
I want to try everything  
I want to try even though I could fail

I'll keep on making those new mistakes  
I'll keep on making them every day  
Those new mistakes

Oh, oh, oh, oh, oh  
Try everything  
Oh, oh, oh, oh, oh  
Try everything  
Oh, oh, oh, oh, oh  
Try everything  
Oh, oh, oh, oh, oh

Try everything

# Colors of the Wind

from *Pocahontas*

You think you own whatever land you land on  
The Earth is just a dead thing you can claim  
But I know every rock and tree and creature  
Has a life, has a spirit, has a name

You think the only people who are people  
Are the people who look and think like you  
But if you walk the footsteps of a stranger  
You'll learn things you never knew, you never knew

Have you ever heard the wolf cry to the blue corn moon  
Or asked the grinning bobcat why he grinned  
Can you sing with all the voices of the mountain  
Can you paint with all the colors of the wind  
Can you paint with all the colors of the wind

Come run the hidden pine trails of the forest  
Come taste the sun sweet berries of the Earth  
Come roll in all the riches all around you  
And for once, never wonder what they're worth

The rainstorm and the river are my brothers  
The heron and the otter are my friends  
And we are all connected to each other  
In a circle, in a hoop that never ends

How high does the sycamore grow?  
If you cut it down, then you'll never know

And you'll never hear the wolf cry to the blue corn moon  
For whether we are white or copper skinned  
We need to sing with all the voices of the mountain  
We need to paint with all the colors of the wind

You can own the Earth and still  
All you'll own is Earth until  
You can paint with all the colors of the wind

# Bare Necessities

from *The Jungle Book*

Look for the bare necessities  
The simple bare necessities  
Forget about your worries and your strife  
I mean the bare necessities  
Old Mother Nature's recipes  
That brings the bare necessities of life

Wherever I wander, wherever I roam  
I couldn't be fonder of my big home  
The bees are buzzin' in the tree  
To make some honey just for me  
When you look under the rocks and plants  
And take a glance at the fancy ants  
Then maybe try a few

The bare necessities of life will come to you  
They'll come to you!

Look for the bare necessities  
The simple bare necessities  
Forget about your worries and your strife  
I mean the bare necessities  
Old Mother Nature's recipes  
That brings the bare necessities of life

The simple bare necessities of life

# Remember Me

from *Coco*

Remember me  
Though I have to say goodbye  
Remember me  
Don't let it make you cry  
For even if I'm far away I hold you in my heart  
I sing a secret song to you each night we are apart

Remember me  
Though I have to travel far  
Remember me  
Each time you hear a sad guitar  
Know that I'm with you the only way that I can be  
Until you're in my arms again  
Remember me

# I See the Light

from *Tangled*

All those days watching from the windows  
All those years outside looking in  
All that time never even knowing  
Just how blind I've been  
Now I'm here blinking in the starlight  
Now I'm here suddenly I see  
Standing here it's all so clear  
I'm where I'm meant to be

And at last I see the light  
And it's like the fog has lifted  
And at last I see the light  
And it's like the sky is new  
And it's warm and real and bright  
And the world has somehow shifted  
All at once everything looks different  
Now that I see you

All those days chasing down a daydream  
All those years living in a blur  
All that time never truly seeing  
Things, the way they were  
Now she's here shining in the starlight  
Now she's here suddenly I know  
If she's here it's crystal clear  
I'm where I'm meant to go

And at last I see the light  
And it's like the fog has lifted  
And at last I see the light  
And it's like the sky is new

And it's warm and real and bright  
And the world has somehow shifted  
All at once everything is different  
Now that I see you

# Under The Sea

from *The Little Mermaid*

The seaweed is always greener  
In somebody else's lake  
You dream about going up there  
But that is a big mistake  
Just look at the world around you  
Right here on the ocean floor  
Such wonderful things surround you  
What more is you lookin' for?

Under the sea  
Under the sea  
Darling it's better  
Down where it's wetter  
Take it from me  
Up on the shore they work all day  
Out in the sun they slave away  
While we devotin'  
Full time to floatin'  
Under the sea

Down here all the fish is happy  
As off through the waves they roll  
The fish on the land ain't happy  
They sad 'cause they in their bowl  
But fish in the bowl is lucky  
They in for a worser fate  
One day when the boss get hungry  
Guess who's gon' be on the plate

Under the sea  
Under the sea  
Nobody beat us  
Fry us and eat us  
In fricassee  
We what the land folks loves to cook  
Under the sea we off the hook  
We got no troubles  
Life is the bubbles

Under the sea  
Under the sea  
Since life is sweet here  
We got the beat here  
Naturally  
Even the sturgeon an' the ray  
They get the urge 'n' start to play  
We got the spirit  
You got to hear it  
Under the sea

# In Summer

from *Frozen*

Bees'll buzz, kids'll blow dandelion fuzz  
And I'll be doin' whatever snow does in summer

A drink in my hand, my snow up against the burning sand  
Prob'ly getting gorgeously tanned in summer

I'll finally see a summer breeze, blow away a winter storm  
And find out what happens to solid water when it gets warm!

And I can't wait to see, what my buddies all think of me  
Just imagine how much cooler I'll be in summer

Da da, da doo, ah bah bah bah bah boo  
The hot and the cold are both so intense  
Put' em together — it just makes sense!

R-r-r-ratdadat dad dada doo  
Winter's a good time to stay in and cuddle  
But put me in summer and I'll be a — happy snowman!

When life gets rough, I like to hold on to my dream  
of relaxing in the summer sun, just lettin' off steam

Oh the sky will be blue, and you guys'll be there too  
When I finally do what frozen things do in summer!

In summer!

# Un Poco Loco

from *Coco*

What color is the sky  
¡Ay, mi amor! ¡Ay, mi amor!  
You tell me that it's red  
¡Ay, mi amor! ¡Ay, mi amor!

Where should I put my shoes  
¡Ay, mi amor! ¡Ay, mi amor!  
You say put them on your head  
¡Ay, mi amor! ¡Ay, mi amor!

You make me  
Un poco loco  
Un poquitito loco  
The way you keep me guessing

I'm nodding and I'm yessing  
I'll count it as a blessing  
That I'm only  
Un poco loco

The loco that you make me  
It is just un poco crazy  
The sense that you're not making  
The liberties you're taking  
Leaves my cabeza shaking  
You are just  
Un poco loco

Un poquititi-ti-ti-ti-ti-ti-ti-ti-ti-ti-ti-to loco!

# Let's Go Fly a Kite

from *Mary Poppins*

With tuppence for paper and strings  
You can have your own set of wings  
With your feet on the ground  
You're a bird in a flight  
With your fist holding tight  
To the string of your kite

Oh, oh, oh!

Let's go fly a kite  
Up to the highest height!  
Let's go fly a kite and send it soaring  
Up through the atmosphere  
Up where the air is clear  
Oh, let's go fly a kite!

When you send it flyin' up there  
All at once you're lighter than air  
You can dance on the breeze  
Over houses and trees  
With your fist holding tight  
To the string of your kite

Oh, oh, oh!

Let's go fly a kite  
Up to the highest height!  
Let's go fly a kite and send it soaring  
Up through the atmosphere  
Up where the air is clear  
Let's go fly a kite!
